GERMAN
TECHNOLOGY

The new Continental CrossContact H/T.

German engineered outstanding durability.

Customer Benefit

Multipurpose Pattern

Tackle any everyday driving situation that comes your way with the adaptive multipurpose pattern design – not least where the asphalt ends.

- › Multipurpose pattern with additional grip on the center ribs and at the shoulder not only on the asphalt but on gravel

Extended Tread Life

Benefit from long-lasting driving pleasure due to improved tread life.

- › New state of the art tread compound for excellent cut resistance and mileage

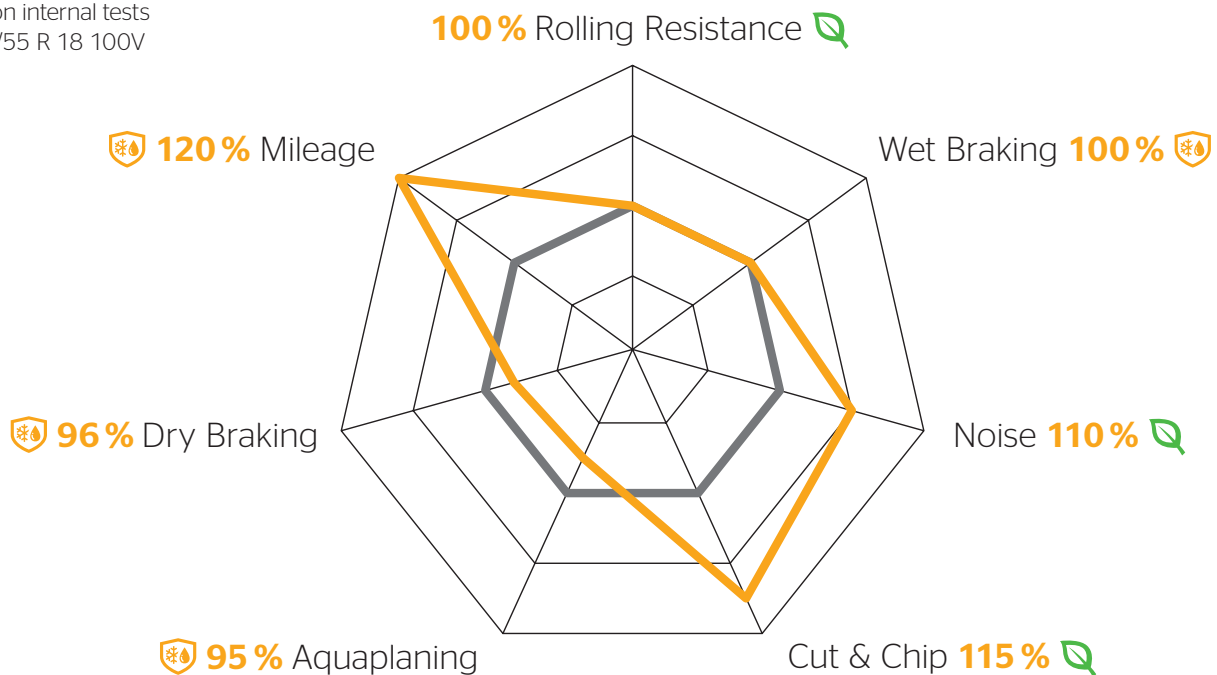

Balanced Construction

Enjoy a quiet and comfortable ride thanks to low road noise.

- › Optimized pattern design in combination with a smart construction

Performance.

Based on internal tests on 235/55 R 18 100V

EU tyre label values

Fuel efficiency: D
Wet braking: C
Noise level: 71 dB (B)

— CrossContact LX2 = 100%
